EFFICIENCY

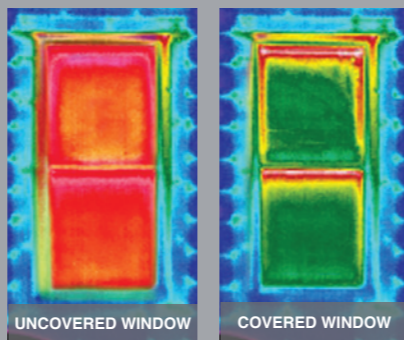

Did you know windows are the primary source of heat loss in your home?

Insulate at the window and reduce your heating costs by up to 43%¹ with our patented Luxaflex Duette Architella Shades.

Three air pockets

The patented honeycomb design of Duette Architella Shades has three distinct air pockets for superior energy efficiency and increased insulation.

The infra-red images show a covered window on the right demonstrating significantly improved energy savings versus the uncovered window on the left.

Luxaflex Modern Roman Shades are a modern take on the traditional roman shade. Their innovative design eliminates exposed rear cords for enhanced child safety. Available in four unique styles with a choice of child safe operating systems and a broad range of fabrics in room darkening and translucent opacities.
