VERSATILITY AT ITS FINEST

PolySatin Shutters are the modern alternative to traditional wooden shutters and are virtually maintenance free. Made to measure in Australia from a polyresin compound, the shutters are designed for strength and durability and will not blister, peel, flake, corrode or fade and will never need painting, making them suitable for inside and outside the home.

Visit luxaflex.com.au/competition
and tell us why you want Luxaflex
Window Fashions in your home to
go into the draw.

Don't wait to purchase! The lucky winner will be credited the value of their Luxaflex purchase (up to \$5,000 incl. GST, excluding installation and motorisation) made during the promotional period.

If the winner has not yet purchased, they can visit a showroom to make their Luxaflex purchase within three months of the draw. The winner will be announced on Thursday 2 November 2017.

THE LATEST FABRIC TRENDS

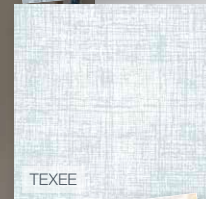

100% PET SUNSCREEN

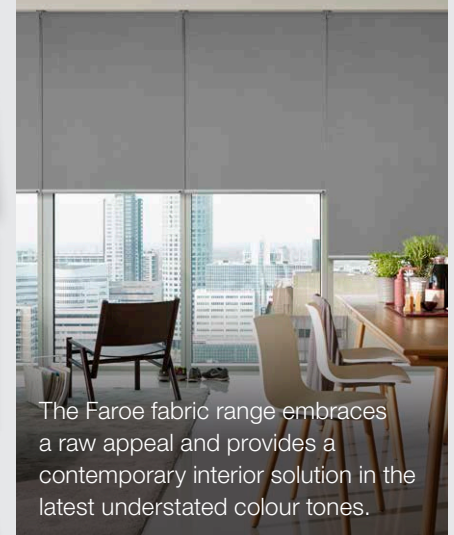

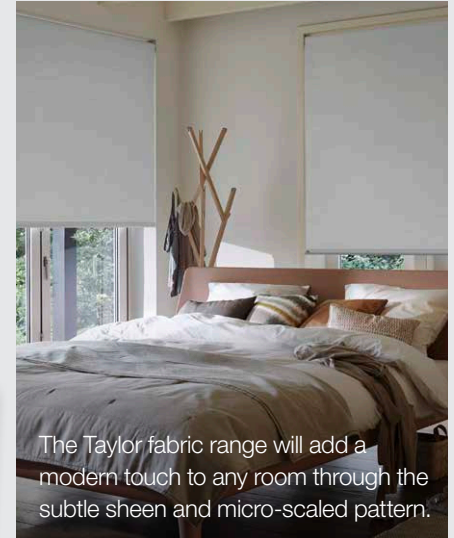

GreenView Sunscreen is a 100% PET (recycled plastic bottles) woven ECO-friendly fabric, containing a minimum of 70% recycled materials. It is PVC, Halogen, Lead and Formaldehyde free. The range is focused on committing to a healthier approach for the environment. One square metre of GreenView fabric is made from 4 plastic (PET) bottles.

PRINTS CHARMING

The Luxaflex Print Collection is an exclusive partnership with Signature Prints and the Whitehouse Institute of Design. An artful take on window coverings, The Print Collection provides a new dimension of play for Roller Blinds, incorporating modern textures, patterns and colourways.
