DURABLE AND STYLISH

PolySatin® Shutters are the modern alternative to traditional wooden shutters and are virtually maintenance free. Made in Australia from a polyresin compound, the shutters are designed for strength and durability. They will not blister, peel, flake, corrode or fade and will never need painting, making them suitable for inside and outside the home.

cooler than you

An understated palette of whites and soft greys can evoke a feeling of calmness and purity. Minimalism and balance are at the heart of this trend.

metal moods

With a thoughtful fusion of opulent colours and reflective textures, glistening minerals and metallic surfaces inspire this palette.

tranquility

From the horizon to the different ocean waters, the shades of blue offers a serene feeling whilst promoting relaxation. This trend is drawn from the Pantone colour of the year.

botanics

Blurring the lines between interior and exterior by bringing nature indoors. Step into the palette of the mysterious jungle mixed with lush hues. Botanics clashes patterns, styles and colours to create an unexpected indoor haven.
